

# TEACHING ENGLISH, MASTER OF EDUCATION (MED) - BASIC CONCENTRATION LEADING TO CERTIFICATION

## The Basic Teaching Concentration

The Basic Teaching Concentration in Secondary Education Teaching - English is a degree designed for individuals who possess a bachelor's degree and appropriate coursework in English. Successful completion of the program will lead to a master's degree and can lead to state certification. It is anticipated that students would complete the 36-semester hour program in one calendar year of full-time study, beginning with the summer pre-session. However, students may begin the program during the fall or spring semesters.

## Admission Requirements
