# **Ensemble Policy**

While students are encouraged to participate in a variety of ensemble experiences, students must participate in at least one ensemble on their primary instrument every semester in which they are enrolled at SRU and taking applied lessons.

Students are required to complete an ensemble placement audition each semester after which ensemble directors, in consultation with applied teachers and advisors, will assign semester ensemble placements. Only once all ensembles have been staffed and no other opportunities exist for a specific primary instrument will participation on a secondary instrument be counted toward this requirement.

In addition, music education students whose primary instrument is voice must play an instrument in an instrumental ensemble for at least one semester and music education students whose primary instrument is anything other than voice must sing in a vocal ensemble for at least one semester.

## **Co-curricular and Experiential Learning**

Students are encouraged to explore additional curricular and co-curricular opportunities. There is a strong correlation between long-term student success and participation in the following types of programs and activities:

- 1. International study programs (short-term, semester)
- 2. High-Impact Practice (HIP) designated classes
- 3. Student-faculty research
- 4. Student leadership development
- 5. Career education and development
- 6. Internships
- 7. Field Experiences

#### **Important Curriculum Guide Notes**

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place alreadyearned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. *The information on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.*
