

# INSTRUCTIONAL METHOD

---

Blended courses are currently defined as any course whose content is taught between 30-79% online. Web-based courses have between 80-100% online content. Web-based courses must be approved by the UCC and Academic Dean. Blended courses must be approved by the Academic Dean.

Blended courses are denoted on the master class schedule by the instructional method as follows:

BL = 51-79% online

30 = 30-50% online

Web-based courses are denoted on the master class schedule by the instructional method as follows:

80 = 80-99% online

OL = 100% online
