

MILITARY WITHDRAWAL

A grade of "M" will be given for military students and spouses who have to withdraw from the University (all classes) due to military obligation.

PA National Guard and other reserve components called to active duty (for reasons other than training) and their spouses will receive a grade of "M" when unable to complete classes due to activation for military obligations.

Students who need to withdraw from Slippery Rock University due to military obligations should contact the Student Success Coaches to complete a withdrawal form. Students will also need to provide documentation of their military obligation such as military orders or a letter from their commanding officer.
