

STUDENT MENTAL HEALTH SPECIALIST, CERTIFICATE

PROGRAM LEARNING OUTCOMES:

PO 1. Collaborate with all stakeholders (students, families, school, and community) to design and implement comprehensive mental health support plans. (GUO 2)

PO 2. Apply collaborative communication, relational, and core microskills to guide therapeutic dialogue from a focus on problems to the construction of collaborative solutions. (GUO 1)

PO 3. Utilize evidence-based models and interventions that align with student development (cognitive, social-emotional, physical) to promote resilience and support student mental health. (GUO 1)

PO 4. Apply advocacy and leadership skills within the school system to influence and drive constructive change for student mental health. (GUO 3)
