

APPLIED RESEARCH, STATISTICS AND MEASUREMENT, CERTIFICATE

Because the field of education and the public sector require the ability to research, analyze and interpret data to help make decisions, this program will help in the preparation of skills that are necessary to use the application of statistics to analyze, interpret, assess and evaluate data.

As a student in this Certificate Program, you can improve your understanding of data-driven decision methods and can become familiar with contemporary tools for data-analysis.

The program blends online and traditional instruction to help give you the tools and knowledge as a researcher that can make you capable of being a leader in the application of research, statistics and measurement for your organization.

To access Certificate Requirements, please view the Curriculum Guide tab.

Select two of the following:		6
SEFE 608	Research Methods for Teacher	
or SEFE 808	Research Methods for Teacher Leadership	
SEFE 699	Elements of Quantitative Educational Research	
SEFE 671	Measurement, Testing, and Assessment	
Total Hours		12

* SEFE 602 is a prerequisite for all the courses listed above

Important Curriculum Guide Notes

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled

SRU students should note that the My Rock Audit may place already-earned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. *The information on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.*
