

TEACHING ENGLISH TO SPEAKERS OF OTHER LANGUAGES, MASTER OF ARTS (MA)

Slippery Rock University's MA TESOL is designed to prepare graduates for careers at home and abroad in working with adult English language learners. TESOL jobs in higher education, community college and non-profit literacy, global/multicultural corporate communications, and instructional media and materials development and publishing contexts all require the linguistic and acculturation expertise offered by our program. Our challenging, quality, and interdisciplinary curriculum focuses on understanding our interconnected world and the acquisition of English as a new language for adults who need language and cultural proficiency to advance their own professional and life goals. MA TESOL graduates are also well equipped to progress to doctoral level study in related fields.
