

# INFORMATION SYSTEMS, MINOR

Minor in Information Systems (14B)  
This program is effective as of Summer 2023  
Revised 03.03.2023  
UCC 02.28.2023

## Curriculum Guide

### GPA Requirement

Minor GPA: 2.0 or higher

### Minor Requirements

- Students must complete at least 6 credit hours in their minor from SRU
- A minimum of 6 credit hours must be upper division (courses numbered 300 and above)
- A minor shall be no fewer than 18 credits.
- A student cannot major or minor in the same discipline/academic area, but may minor in a specialization offered by his/her major department.
- The Information Systems minor must submit this self-maintained progress sheet to the Information Systems and Technology Management Department for verification.

| Code                        | Title                                          | Hours     |
|-----------------------------|------------------------------------------------|-----------|
| <b>Required Courses</b>     |                                                |           |
| MIS 210                     | Productivity Software                          | 3         |
| MIS 301                     | Practical Computer Security                    | 3         |
| MIS 323                     | Data Base Systems                              | 3         |
| MIS 413                     | Systems Analysis                               | 3         |
| MIS 453                     | Fundamentals of Enterprise Architecture        | 3         |
| <b>Elective</b>             |                                                |           |
| Select one of the following |                                                | 3         |
| MIS 265                     | Management Information Systems                 |           |
| MIS 310                     | Business Data Analysis and Visualization       |           |
| MIS 333                     | Introduction to Computer Forensics             |           |
| MIS 401                     | Information Systems Security                   |           |
| MIS 403                     | Introduction to Healthcare Information Systems |           |
| MIS 443                     | Project Management                             |           |
| <b>Total Hours</b>          |                                                | <b>18</b> |

\* Some courses may require pre-requisites. Please see course descriptions to determine if there are any pre-requisites for that specific course.

### Important Curriculum Guide Notes

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place already-earned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. *The information on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.*
