

MARKETING, BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION (BSBA)

Policy for Changing to Marketing Major:

A Slippery Rock University student wishing to change their major to Marketing MUST have a minimum overall GPA of 2.0.

Program Learning Outcomes

- **Critical Thinking and Problem Solving:** Students graduating with a degree in business administration will demonstrate effective critical thinking and problem-solving skills. Students will:
 - Apply critical thinking skills to analyze and interpret financial statements to judge business performance.
 - Apply critical thinking skills using quantitative techniques for problem solving and strategic decision making
- **Communication:** Students graduating with a degree in business administration will demonstrate competency in oral and written communication skills. Students will:
 - Prepare in proper format and style the following documents: business report (one to two pages), business memo, research report and presentation.
 - Deliver an effective oral presentation on a business and/or professional topic.
- **Information Technology:** Students will demonstrate proficiency in the use of computers and software to manage information with statistical analysis, spreadsheet, database, and other appropriate applications.
- **Ethics:** Students graduating with a degree in business administration will demonstrate an understanding of the legal environment and ethical standards of business and an awareness of the implications of their behavior and actions as a business professional. Students will apply an appropriate framework for examining ethical dilemmas and be able to (1) identify ethical issues and stakeholders, (2) evaluate alternative course(s) of action, and (3) formulate an appropriate action plan.
- **Professional Proficiency:** Students graduating with a degree in business administration will have acquired the necessary skills and knowledge to meet professional competencies as business professionals and global citizens. Students will:
 - Demonstrate an understanding of the history and vocabulary unique to business disciplines.
 - Demonstrate knowledge of procedures, concepts, and technical business skills through practical application (forecasting, budgeting, financial statement analyses, business plans, strategic planning).
 - Demonstrate the ability to read and interpret financial statements in the decision-making process.
 - Demonstrate effective teamwork and collaborative skills in a simulated business environment.

Co-curricular and Experiential Learning

Students are encouraged to explore additional curricular and co-curricular opportunities. There is a strong correlation between long-term student success and participation in the following types of programs and activities:

1. International study programs (short-term, semester, and year-long)
2. High-Impact Practice (HIP) designated classes
3. Student clubs and organizations

4. Internships
5. Service-learning classes
6. Career education and development
7. Student leadership development
8. Student-faculty research
9. Volunteering
10. Job Shadowing

Important Curriculum Guide Notes

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place already-earned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. *The information on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.*

¹ Course offered in multiple subjects; cannot take course in first major subject.

² SRU Undergraduates who have earned 90 or more credits (including in-progress courses) with a minimum 2.75 GPA are eligible to apply, enroll, and earn graduate level credit. Credits earned are graduate level only, separate from the undergraduate credits earned for the degree and are not calculated in the student's undergraduate credit and grade point totals. See policy details here: Senior Undergraduate Students Earning Graduate Credit (<https://catalog.sru.edu/academic-policies/senior-undergraduate-students-earning-graduate-credit/>).

³ Work with your Academic Adviser to declare a Thematic Thread by the end of your fall semester in your second year.

⁴ Students are encouraged to take the following courses for electives: MRKT 334, MRKT 335, MRKT 336, MRKT 338, MRKT 450 and/or HCAM 415

* Students are encouraged to take ESAP 101 as a Free Elective.

*** This document is meant to serve as a guide. Some planners may show more than 120 credits because faculty have created flexibility in choosing courses. However, only 120 credits are required to obtain a degree. Please consult with your academic adviser and refer to your curriculum guide prior to registering for courses. This plan should be reviewed, and verified, by you and your academic adviser at least once each academic year.*
