

CAMPUS RESOURCES AND SERVICES

The university contributes to the development of the whole person by improving students' abilities to successfully manage challenges and by creating an environment in which students are likely to thrive, so that they are retained and graduate. The departments listed below exist to enhance the student experience and provide support for student success.

- Academic Honor Societies and Professional Organizations (<https://catalog.sru.edu/undergraduate/campus-resources-services/academic-honor-societies/>)
