# **BIOLOGY, BACHELOR OF ARTS** (BA)

# Curriculum Guide GPA Requirement

Major GPA: 2.0 or higher Overall GPA: 2.0 or higher Core GPA: 2.0 or higher

# Summary\*

Code	Title	Hours
Rock Studies 2 Requirements		45
Modern Language Re	quirement	0-9
Other Basic Requirements		0-3
Major/Concentration	Requirements	42
Natural Science and I	Math College-Wide Requirements	12
Electives		25

<sup>\*</sup> All undergraduate degree programs require a minimum of 120 credits. Some courses meet multiple requirements, but are only counted once toward the 120 credit total required to graduate.

# **Rock Studies 2 Requirements**

Select 12 Credits (https://catalog.sru.edu/undergraduate/rock-studies/rock-studies-program/) 2

Total Hours 45

Course offered in multiple subjects; cannot take course in first major subject.

One course from each category; six credits must be 300-level or above; no more than 4 credits from one subject area; specific courses required in first major, regardless of prefix of course, cannot be used to satisfy thread requirements; any course with same prefix as first major cannot be used to satisfy thread requirements, even if it is not a course in the first major.

# **BA Modern Language Requirement**

BA degree requires language proficiency at the 103 class level. Exemption by placement or examination is possible.

Code	Title	Hours
Complete 0-9 credit	3	0-9
Total Hours		0-9

# **Basic Math Requirement**

Check with your adviser or a current degree audit report to see if you have been exempted from this course. The credit earned in this course will not be counted toward the 120 credit hour minimum needed to earn a degree.

Code	Title	Hours
Complete one of	the following:	0-3
Meet required	minimum SAT or ACT math score OR	
ESAP 110	Beginning Algebra	
Total Hours		0-3

# DIVERSITY, EQUITY, AND INCLUSION REQUIREMENT

Students must take and pass a course with the Diversity, Equity, and Inclusion (DEI) designation prior to graduation. Students can meet this requirement by taking any DEI - designated course in any program at any time during their undergraduate career.

#### **Major/Concentration Requirements**

Tista

- · 20 major credits must be taken at SRU or PASSHE
- · 20 major credits must be taken at the 300 level or above
- Students desiring a Biology Major must maintain at least a 2.000 average in Biology.
- Students should complete all 200-level Biology requirements by the end of their sophomore year.
- Student must earn a "C" or better in both Biology I with Lab (BIOL 113) and Biology II with Lab (BIOL 114) before proceeding to their next biology course.
- Students must earn a "C" or better in both Genetics with Lab (BIOL 250) and Biometry with Lab (BIOL 325) prior to graduating.

# **Co-curricular and Experiential Learning**

Students are encouraged to explore additional curricular and co-curricular opportunities. There is a strong correlation between long-term student success and participation in the following types of programs and activities:

- 1. Student-faculty research
- 2. Internships
- 3. Volunteering
- 4. Job Shadowing

# **Important Curriculum Guide Notes**

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place alreadyearned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. The information on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.
