

# ENVIRONMENTAL GEOSCIENCES

---

## Programs

### Majors

- Environmental Geoscience, Bachelor of Arts (BA) (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/environmental-geoscience-ba/>)
- Environmental Geoscience, Bachelor of Science (BA) / Pre-Master of Education (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/environmental-geoscience-ba-pre-masters-education/>)
- Environmental Geoscience, Bachelor of Science (BS) - Concentration in Environmental Science (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/environmental-geoscience-bs-concentration-environmental-science/>)
- Environmental Geoscience, Bachelor of Science (BS) - Concentration in Geology (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/environmental-geoscience-bs-concentration-geology/>)
- Geography, Bachelor of Science (BS) - Concentration in Applied Geographic Technology (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/geography-bs-concentration-applied-geographic-technology/>)
- Geography, Bachelor of Science (BS) - Concentration in Environmental Studies & Sustainability (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/geography-bs-concentration-environmental-studies-sustainability/>)
- Geography, Bachelor of Science (BS) - Concentration in Global Studies (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/geography-bs-concentration-global-studies/>)

### Minors

- Environmental Science, Minor (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/environmental-science-minor/>)
- Environmental Studies, Minor (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/environmental-studies-minor/>)
- Geographic Information Technology, Minor (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/geographic-information-technology-minor/>)
- Geology, Minor (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/geology-minor/>)
- Geophysics, Minor (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/geophysics-minor/>)
- Meteorology, Minor (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/meteorology-minor/>)

### Certificates

- Geographic Information Science, Certificate (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/geographic-information-certificate/>)

- Sustainability, Certificate (<https://catalog.sru.edu/undergraduate/engineering-and-science/environmental-geosciences/sustainability-certificate/>)
