- Course offered in multiple subjects; cannot take course in first major subject
- Work with your Academic Adviser to declare a Thematic Thread by the end of your fall semester in your second year.
- * Students are encouraged to take ESAP 101 as a Free Elective.

** This document is meant to serve as a guide. Some planners may show more than 120 credits because faculty have created flexibility in choosing courses. However, only 120 credits are required to obtain a degree. Please consult with your academic adviser and refer to your curriculum guide prior to registering for courses. This plan should be reviewed, and verified, by you and your academic adviser at least once each academic year.
