Required Thematic Thread Coursework:

| Total Hours |                          | 41 |
|-------------|--------------------------|----|
| Subtotal    |                          | 8  |
| PHYS 213    | General Physics III/ Lab | 4  |
| MATH 230    | Calculus II              | 4  |

Course offered in multiple subjects; cannot take course in first major subject.

# **BA Modern Language Requirements**

BA degree requires language proficiency at the 103 class level. Exemption by placement or examination is possible.

| Total Hours    |               | 0     |
|----------------|---------------|-------|
| This Requireme | nt is Waived. |       |
| Code           | Title         | Hours |

## **Basic Math Requirement**

Check with your adviser or a current degree audit report to see if you have been exempted from this course. The credit earned in this course will not be counted toward the 120 credit hour minimum needed to earn a degree.

| Code                                           | Title             | Hours |
|------------------------------------------------|-------------------|-------|
| Complete one of the following:                 |                   | 0-3   |
| Meet required minimum SAT or ACT math score OR |                   |       |
| ESAP 110                                       | Beginning Algebra |       |
| Total Hours                                    |                   | 0-3   |

#### **Computer Competency**

| Code                             | Title                                      | Hours |
|----------------------------------|--------------------------------------------|-------|
| Demonstrate "compu               | ter competency" by one of the following:   | 0-3   |
| Pass Computer Co                 | ompetency Exam OR                          |       |
| Select one of the f institution: | ollowing at SRU or another post-secondary  |       |
| CPSC 100                         | Introduction to Computing for Liberal Arts |       |
| CPSC 110                         | Computer Concepts                          |       |
| CPSC 130                         | Introduction to Computing and Programming  |       |
| PE 202                           | Technology for Wellness                    |       |
| Total Hours                      |                                            | 0-3   |

# DIVERSITY, EQUITY, AND INCLUSION REQUIREMENT

Students must take and pass a course with the Diversity, Equity, and Inclusion (DEI) designation prior to graduation. Students can meet this requirement by taking any DEI - designated course in any program at any time during their undergraduate career.

## **Major Requirements**

| Code                     | Title                                    | Hours |  |

| PHYS 315               | Dynamics <sup>1</sup>                                  |    |
| Select nine credits of | f the following: <sup>2</sup>                          | 9  |
| Major and Related El   | ectives                                                |    |
| Subtotal               |                                                        | 20 |
| or MATH 331            | Mathematical Methods of Physics                        |    |
|                        | Mathematical Methods of Physics <sup>1</sup>           | 3  |
| PHYS 331               | Statics 1                                              |    |

1 Course counts for 50% of Major requirements and Major GPA

\* Some courses may require pre-requisites. Please see course descriptions to determine if there are any pre-requisites for that specific course.

# **Natural Science and Math College-Wide Requirements**

| Code                         | Title                                | Hours |
|------------------------------|--------------------------------------|-------|
| Students must tak            | e the following four courses:        |       |
| CHEM 107                     | General Chemistry I <sup>1</sup>     | 3     |
| CHEM 111                     | General Chemistry I Lab <sup>1</sup> | 1     |
| Select one of the following: |                                      | 4     |
| MATH 125                     | Precalculus <sup>1</sup>             |       |
| MATH 225                     | Calculus I <sup>1</sup>              |       |
| PHYS 201                     | Elements of Physics I with Lab       | 4     |
| or PHYS 211                  | General Physics I with Lab           |       |
| Total Hours                  |                                      | 12    |

Course can be counted as a Rock Studies 2 Requirement, but earns credit only once toward your 120-credits total.

# **Important Curriculum Guide Notes**

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place alreadyearned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. The information on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.

PASSHE - Pennsylvania State System of Higher Education Institutions

PHYSICS PRE ENGINEERING - BA (6 64) with West Virginia University (6 63) This program is effective as of Fall 2019. Revised 07.29.2021 UCC 2.5.2019

Elective courses need to be selected based upon area of Engineering chosen. Please contact your Adviser for specific courses

Course can be counted as a Rock Studies 2 Requirement, but earns credit only once toward your 120-credits total.
