

# GEOLOGY, MINOR

---

## Curriculum Guide

### GPA Requirement

Minor GPA: 2.0 or higher

### Minor Requirements

- Students must complete at least 6 credit hours in their minor from SRU
- A minimum of 9 credit hours must be upper division (an upper division course includes any 3-credit course that requires a pre-requisite)
- A minor shall be no fewer than 15 credits.

| Code                           | Title                             | Hours        |
|--------------------------------|-----------------------------------|--------------|
| <b>Required Courses</b>        |                                   |              |
| EGEO 1XX                       | Any 100-Level EGEO Course         | 3            |
| EGEO 201                       | Earth Materials and Processes/Lab | 4            |
| EGEO 202                       | Earth History/Lab                 | 4            |
| <b>Electives</b>               |                                   |              |
| Select at least three courses: |                                   | 9-12         |
| EGEO 303                       | Paleontology/Lab                  |              |
| EGEO 323                       | Planetary Geology                 |              |
| EGEO 327                       | Structural Geology                |              |
| EGEO 328                       | Plate Tectonics                   |              |
| EGEO 341                       | Geomorphology/Lab                 |              |
| EGEO 342                       | Glacial Geology/Lab               |              |
| EGEO 351                       | Mineralogy/Lab                    |              |
| EGEO 352                       | Petrology/Lab                     |              |
| EGEO 358                       | Introduction to Geophysics/Lab    |              |
| EGEO 362                       | Stratigraphy/Lab                  |              |
| EGEO 458                       | Geophysical Field Methods/Lab     |              |
| EGEO 460                       | Hydrogeology                      |              |
| <b>Total Hours</b>             |                                   | <b>20-23</b> |

\* Some courses may require pre-requisites. Please see course descriptions to determine if there are any pre-requisites for that specific course.

### Important Curriculum Guide Notes

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place already-earned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. *The information on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.*

PASSHE - Pennsylvania State System of Higher Education Institutions

MINOR IN GEOLOGY (34A)

This program is effective as of Fall 2017.

Revised 04.09.2020
