¹ Must earn a "C" or better

* Some courses may require pre-requisites. Please see course descriptions to determine if there are any pre-requisites for that specific course.

RN and Elective Requirements

Diploma Nurse RNs are awarded a block of 30 credits for their nursing coursework. Associate Degree RNs will find their Nursing coursework delineated as a total number of Electives.

Code	Title	Hours
Required		
NURS 199	RN Completion (Current Licensure as an RN)	0-30

Co-curricular and Experiential Learning

Students are encouraged to explore additional curricular and co-curricular opportunities. There is a strong correlation between long-term student success and participation in the following types of programs and activities:

1. International study programs (short-term, semester, and year-long)
2. High-Impact Practice (HIP) designated classes
3. Student-faculty research
4. Job Shadowing
5. Career Education Services

RN to BSN PROGRAM - BS (6 58)

This program is effective as of Fall 2020.

Revised 07.27.2021

UCC 09.01.2020

Important Curriculum Guide Notes

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place already-earned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. *The information*

2 Nursing, Bachelor of Science in Nursing (BSN) (RN-BSN)

on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.
