

# PSYCHOLOGY, BACHELOR OF SCIENCE (BS) / PRE-COUNSELING (SRU) (3+3)

The Psychology program offers a Pre-Counseling 3+3 option for students interested in a career in Mental Health Counseling. Undergraduate students work with their academic adviser to complete courses needed to fulfill the requirements for both a Bachelor of Science degree and the entrance requirements for either of two Master of Arts programs: Clinical Mental Health Counseling or Student Affairs in Higher Education with College Counseling. Graduate study in both of these programs prepares students for licensure as a Professional Counselor. The Psychology program prepares students for graduate study by providing a strong basis in the biopsychosocial processes of human functioning. The first year of the Master of Arts program meets the requirements for the fourth year of the Bachelor of Science degree.

## Psychology (BS) - 3+3 Pre-Counseling

3+3 Pre-Counseling program requirements:

- Students are required to maintain minimum Overall and Psychology GPAs of 3.0 in order to retain the major in Psychology. Students are required to earn a grade of C or higher in Introduction to Psychology (PSYC 105) in order to take all other Psychology courses. Students are required to earn a grade of C or higher in Psychological Science I: Research Methods (PSYC 231) and Psychological Science II: Statistical Applications (PSYC 232) in order to progress in the program. Each course can only be repeated once.

## Program Learning Outcomes

- **Theory and Content of Psychology:** Students should be familiar with the major theoretical approaches, findings, and historical trends in psychology.
- **Methodology:** Students should understand and be able to use major research methods in psychology, including design, data analysis, and interpretation.
- **Critical Thinking, Logic, and Problem-Solving:** Students should use and respect skeptical inquiry, critical thinking, and the scientific approach to understanding behavior.
- **Information Competence, Technology, and Computers:** Students should demonstrate information competence and the ability to use computers and other technology for multiple purposes.
- **Communication Skills:** Students should be able to express themselves effectively in written and oral communication.
- **Application of Psychology:** Students should have an understanding of applications of psychology to personal, social, and organizational issues.

## Co-curricular and Experiential Learning

Students are encouraged to explore additional curricular and co-curricular opportunities. There is a strong correlation between long-term student success and participation in the following types of programs and activities:

1. International Study Programs
2. High-Impact Practice (HIP) designated classes
3. Student-faculty research
4. Student leadership (Psi Chi, Psychology Club, Reflections Body Image Organization, Nu Rho Psi, Neuro Rocks)
5. Service-learning classes
6. Career education planning (Office of Career Education and Development)
7. Internships
8. Volunteering in local human services and mental health agencies
9. Job shadowing Volunteering

## Important Curriculum Guide Notes

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place already-earned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. *The information on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.*

\* Students are encouraged to take INDS 101 as a Free Elective.

*\*\* This document is meant to serve as a guide. Some planners may show more than 120 credits because faculty have created flexibility in choosing courses. However, only 120 credits are required to obtain a degree. Please consult with your academic adviser and refer to your curriculum guide prior to registering for courses. This plan should be reviewed, and verified, by you and your academic adviser at least once each academic year.*
