

# EXERCISE SCIENCE, BACHELOR OF SCIENCE (BS) / PRE-CHIROPRACTIC (LOGAN) (3+3)

## PROGRAM LEARNING OUTCOMES

- **Professional Competence:** To utilize knowledge, skills, and abilities to evaluate health behavior and risk factors; develop, implement, and evaluate evidence-based exercise and wellness programs, and employ behavioral strategies to motivate individuals to adopt and maintain positive lifestyle behaviors. UO 3,4,5
- **Professional Interaction and Communication:** To interact and communicate effectively by presenting information in oral and written formats, collaborating with professionals and peers, expressing ideas clearly, and giving and receiving feedback. UO 1
- **Professional Behavior and Involvement:** To model professional behaviors (including preparedness, engagement, and appearance), and demonstrate professional involvement across the major. UO 5,7,9
- **Ethical Reasoning:** To make well-informed and unbiased decisions to enhance the well-being of others. UO 8, 10
- **Critical Thinking:** To demonstrate clear and accurate reasoning to make decisions and solve problems. UO 2

## WHAT ARE YOUR OPTIONS?

**Pre-Chiropractic Logan 3+3:** Earn a Doctor of Chiropractic (DC) in six years rather than seven. In the first three years, you complete your major courses and pre-requisites for the Logan University DC graduate program. All students who successfully complete the Pre-Chiropractic program with a cumulative GPA of 3.0 or higher and meet all other criteria for admission will be accepted and transfer to Logan's DC program. On completion of your first year and minimally 30 credits, you will receive your bachelor's degree from SRU. You will then continue at Logan to complete the requirements for the DC degree. The accelerated option is for incoming freshmen only.

## Academic Policies for Students in the Exercise Science Major

*Effective for all Exercise Science Majors beginning Spring 2021*

1. Policy for earning acceptable grades in the Exercise Science program:
  - a. A student must earn a grade of "C" or better in ALL Required Basic Courses (EXSC 100's, EXSC 200's, EXSC 300's) and Required Upper Level Courses (EXSC 400's, EXSC 410's, EXSC 424, EXSC 450).
  - b. A student must earn a grade of "C" or better in ALL Natural Science and Math College-Wide Requirements (BIOL 216/BIOL 217 or BIOL 209/BIOL 309, STAT 152, PHYS 201).
  - c. The Exercise Science curriculum is structured with pre-requisites. A student must earn a "C" or better in the pre-requisite course to be able to take the next course. See course catalog for pre-requisites.
  - d. If a student does not earn a "C" or better, they will be required to:
    - i. Retake the course
    - ii. They will be dropped from any course(s) in the following semester that requires a "C" or better as a pre-requisite (see course catalog for pre-requisites)
    - iii. Students will need to meet with their Academic Advisor and change their schedule accordingly
2. SRU has a *Repeat of Courses Policy* as follows and it can be found in the course catalog: Repeat of Courses < Slippery Rock University (sru.edu) (<https://catalog.sru.edu/academic-policies/repeat-of-courses/>)
  - a. Students may attempt to improve their grade point average by repeating courses. The most recent grade earned is used in calculating the GPA even if the earlier grade was higher. If a passed course is repeated and failed (or NC), the student will lose both the grade points and credits previously earned. However, all grades will appear on the transcript. Courses in which a grade was earned at Slippery Rock University may not be repeated at any institution. A grade of W (withdraw) does not count as an earned grade.

Students who repeat a course must do so using the same grading system under which they originally took the course. For example, a student who originally took a course graded A-F may not repeat the course on a P/NC, P/F, or audit basis. Students may not repeat a course by using any Credit by Examination program if they originally took the course on a graded A-F, P/NC, P/F, or audit basis.

Undergraduate students will be limited to a maximum total of six repeats during their entire SRU academic career, excluding withdrawal grades.

In addition, repeats of a single course will be limited to a maximum of two. This means, no single course may be taken more than three times (excluding withdrawal grades). The course repeat policy for post-baccalaureate students is the same as the undergraduate student policy.
3. Once the student has exceeded the *SRU Repeat of Courses Policy*, the student will no longer remain in the Exercise Science major and all EXSC- Exercise Science Major courses will be removed from their schedule. The student should change their major as soon as possible and meet with the new major to register for classes.
4. Policy for changing to the Exercise Science major:
  - a. A Slippery Rock University student wishing to change their major to Exercise Science MUST have an overall GPA of 2.00.
  - b. A transfer student who enters from another University must have an overall GPA of 2.00.
5. Additional costs associated with the Exercise Science major:
  - a. Lab fees will be collected for exercise science classes with a lab component. This fee enhances the department's ability to offer a high-quality program.
  - b. A student in the Exercise Science major is required to maintain current CPR/AED, First Aid, and Student Professional Liability Insurance while enrolled in EXSC 412 and EXSC 450 at their own

cost. More information will be provided to students in the upper level EXSC courses.

- c. EXSC 450 Internship: Certain sites may require one or more of the following: physical examinations, record of immunizations, TB test, criminal background checks, drug testing, specific certifications for CPR/AED (e.g., American Heart Association), and HIPAA training. These may require additional costs for students. Fulfilling these requirements and obtaining appropriate documentation is the responsibility of the student.

*Updated March 15, 2023*

## CURRICULUM GUIDE

### GPA REQUIREMENT – EXERCISE SCIENCE

#### 1<sup>st</sup> Major: Exercise Science

- Overall GPA: 2.00 or higher
- Major GPA (includes Major Requirements and College Wide Requirements): 2.00 or higher

#### 2<sup>nd</sup> Major: Exercise Science 3+3 Pre-Chiropractic (Logan)

- Overall GPA: 2.75 minimum for consideration in standard admission process
- Overall GPA: 3.00 or higher for acceptance

### SUMMARY\*

Code	Title	Hours
	Rock Studies 2 Requirements	44
	Other Basic Requirements	0-3
	Major Requirements	45
	Natural Science and Math College-Wide Requirements	15
	Additional Pre-Chiropractic (Logan) 3+3 Exercise Science Requirement	1
	Electives	26

\* All undergraduate degree programs require a minimum of 120 credits. Some courses meet multiple requirements, but are only counted once toward the 120 credit total required to graduate. However, because this is a pre-professional program, credits taken during the 1<sup>st</sup> year of the graduate program are applied toward the undergraduate credit hours to meet the 120 credits required for your undergraduate degree.

### ROCK STUDIES 2 REQUIREMENTS

Code	Title	Hours
	<b>The Rock</b>	
SUBJ 139	Foundations of Academic Discovery <sup>1</sup>	3
ENGL 102	Critical Writing	3
ENGL 104	Critical Reading	3
STAT 152	Elementary Statistics I	3
Select one of the following:		3
COMM 200	Civil Discourse: Theory & Practice	

PHIL 110	Ethics and Civil Discourse	
POLS 235	Civil Discourse and Democracy	
Subtotal		15
<b>Integrated Inquiry</b>		
<i>Creative and Aesthetic Inquiry</i>		
Select 3 Credits ( <a href="https://catalog.sru.edu/undergraduate/rock-studies/rock-studies-program/">https://catalog.sru.edu/undergraduate/rock-studies/rock-studies-program/</a> )		3
<i>Humanities Inquiry</i>		
Select 3 Credits ( <a href="https://catalog.sru.edu/undergraduate/rock-studies/rock-studies-program/">https://catalog.sru.edu/undergraduate/rock-studies/rock-studies-program/</a> )		3
<i>Social Science Inquiry</i>		
Select 3 Credits ( <a href="https://catalog.sru.edu/undergraduate/rock-studies/rock-studies-program/">https://catalog.sru.edu/undergraduate/rock-studies/rock-studies-program/</a> )		3
<i>Natural Sciences Inquiry</i>		
BIOL 209	Human Anatomy and Physiology I	4
<i>Physical Science Inquiry</i>		
PHYS 201	Elements of Physics I with Lab	4
Subtotal		17
<b>Thematic Thread</b>		
Select 12 Credits ( <a href="https://catalog.sru.edu/undergraduate/rock-studies/rock-studies-program/">https://catalog.sru.edu/undergraduate/rock-studies/rock-studies-program/</a> ) <sup>2</sup>		12
<b>Total Hours</b>		<b>44</b>

<sup>1</sup> Course offered in multiple subjects; cannot take course in first major subject

<sup>2</sup> One course from each category; six credits must be 300-level or above; no more than 4 credits from one subject area; specific courses required in first major, regardless of prefix of course, cannot be used to satisfy thread requirements; any course with same prefix as first major cannot be used to satisfy thread requirements, even if it is not a course in the first major.

### Basic Math Requirement

Check with your adviser or a current degree audit report to see if you have been exempted from this course. The credit earned in this course will not be counted toward the 120 credit hour minimum needed to earn a degree.

Code	Title	Hours
Complete one of the following:		0-3
Meet required minimum SAT or ACT math score OR		
ESAP 110	Beginning Algebra	
<b>Total Hours</b>		<b>0-3</b>

### DIVERSITY, EQUITY, AND INCLUSION REQUIREMENT

Students must take and pass a course with the Diversity, Equity, and Inclusion (DEI) designation prior to graduation. Students can meet this requirement by taking any DEI - designated course in any program at any time during their undergraduate career.

### MAJOR REQUIREMENTS

- If you choose to pursue Exercise Science 3+3 Pre-Chiropractic (Logan) and are not accepted, then EXSC 450: Internship is required to complete a first major of Exercise Science. Please refer to the Exercise Science Curriculum Guide.

Code	Title	Hours
<b>Required Basic Courses</b>		
Must earn a "C" or better in the following courses		
EXSC 100	Introduction to Exercise Science: Careers and Content <sup>1,2</sup>	3
EXSC 101	Applied Anatomy/Lab <sup>1,2</sup>	3
EXSC 201	Exercise Physiology with Lab <sup>1,2</sup>	3
EXSC 202	Biomechanics with Lab <sup>1,2</sup>	3
EXSC 300	Research Methods in Exercise Science <sup>1,2</sup>	3
EXSC 301	Aerobic Exercise Leadership <sup>1,2</sup>	3
EXSC 302	Exercise Leadership: Resistance Training <sup>1,2</sup>	3
Subtotal		21
<b>Required Upper Level Courses (24 credits if accepted to Logan Doctor of Chiropractic Program)</b>		
Must earn a "C" or better in the following courses		
EXSC 400	Wellness Coaching and Program Management <sup>1,2</sup>	3
EXSC 401	Fitness Assessment <sup>1,2</sup>	3
EXSC 402	Exercise Prescription <sup>1,2</sup>	3
EXSC 403	Advanced Exercise Physiology <sup>1,2</sup>	3
EXSC 410	Clinical Exercise Physiology <sup>1,2</sup>	3
EXSC 411	Exercise Science: Special Populations and Conditions <sup>1,2</sup>	3
EXSC 412	Exercise Science: Senior Synthesis <sup>1,2</sup>	3
EXSC 424	Nutrition and Exercise <sup>1,2</sup>	3
Subtotal		24
<b>Total Hours</b>		<b>45</b>

<sup>1</sup> Course counts toward Major GPA

<sup>2</sup> Course counts for 50% of Major requirements

\* Some courses may require pre-requisites. Please see course descriptions to determine if there are any pre-requisites for that specific course.

## NATURAL SCIENCE AND MATH COLLEGE-WIDE REQUIREMENTS

Code	Title	Hours
Must earn a "C" or better in the following courses		
BIOL 209	Human Anatomy and Physiology I	4
BIOL 309	Human Anatomy and Physiology II	4
PHYS 201	Elements of Physics I with Lab <sup>1</sup>	4
STAT 152	Elementary Statistics I <sup>1</sup>	3
<b>Total Hours</b>		<b>15</b>

<sup>1</sup> Course counts toward Major GPA

## ADDITIONAL PRE-CHIROPRACTIC (logan) 3+3 eXERCISE SCIENCE COURSES

Code	Title	Hours
Must earn a "C" or better in the following course:		
ESAP 101	FIRST Seminar	1
<b>Total Hours</b>		<b>1</b>

## REQUIREMENTS FOR PRE-CHIROPRACTIC (LOGAN) 3+3 EXERCISE SCIENCE:

If any of these requirements are not met, the 3+3 designation will be removed from the student's record:

1. A minimum of 2.75 overall GPA must be maintained by student for standard admission at the discretion of Logan University's Vice President of Admissions and Financial Aid.
2. A 3.0 or higher overall GPA must be maintained by the student for acceptance to Logan's Doctor of Chiropractic Degree Program.
3. The student can only be enrolled in the Pre-Chiropractic Program (Logan) 3+3 Exercise Science program for a maximum of three (3) years, full-time continuous enrollment (fall/spring).

### Provision:

Should a student enrolled in the Exercise Science 3+3 Pre-Chiropractic (Logan) designation be unsuccessful in completing the 1st three semesters (summer or fall or spring terms) of the Doctor of Chiropractic Degree Program, and want to complete the original undergraduate degree, it is solely up to the discretion of the undergraduate program Department Chair to determine which, if any, graduate level Chiropractic courses will count toward the completion of their undergraduate degree. In addition, students must complete any unfulfilled requirements of their undergraduate major. Students may still be able to apply to Logan University's Doctor of Chiropractic Degree Program with an earned Bachelor's degree.

### Important Curriculum Guide Notes

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place already-earned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. *The information on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.*

PASSHE - Pennsylvania State System of Higher Education Institutions

EXERCISE SCIENCE - BS (6149)

PRE-CHIROPRACTIC LOGAN 3+3 (6EPC)

This program is effective as of Summer 2022

Revised 06.06.2023

<b>Hours</b>		<b>15</b>
<b>Fourth Year</b>		
<b>Fall</b>		
Senior Year: If not accepted into Logan Chiropractic <sup>4</sup>		

EXSC 450	Exercise Science Internship <sup>3</sup>	12
<b>Hours</b>		<b>12</b>
<b>Total Hours**</b>		<b>106-107</b>

<sup>1</sup> Course satisfies majors and Rock Studies requirements.

<sup>2</sup> Course offered in multiple subjects; cannot take course in first major subject

<sup>3</sup> Must earn a "C" or better in the course.

<sup>4</sup> **Senior Year- If not accepted into Logan Chiropractic Graduate**

**Program:** The first three semesters (summer or fall or spring terms) of the Doctor of Chiropractic degree program, will count as the 4th year of the Exercise Science program. Upon successful completion of the first three semesters of the Logan Chiropractic program, students will graduate with a BS in Exercise Science. Should an Exercise Science 3\_3 student be unsuccessful in completing the first three semesters of the Logan Chiropractic programs and wants to complete their original undergraduate degree, it is solely up to the discretion of their undergraduate program Department Chair to determine which, if any Chiropractic courses will count toward the completion of their undergraduate degree. In addition, students must complete EXSC 450 (12 credits).

**Senior Year- If accepted into the SRU AT Graduate Program:** The first two semesters will count as the 4th year of the Exercise Science program. Upon successful completion of the first two semesters of the SRU AT Graduate Program, students will graduate with a BS in Exercise Science. Should an Exercise Science 3+2 student be unsuccessful in completing the first two semesters of the SRU AT Graduate Program and wants to complete their original undergraduate degree, it is solely up to the discretion of their undergraduate program Department Chair to determine which, if any Athletic Training courses will count toward the completion of their undergraduate degree. In addition, students must complete EXSC 450: Exercise Science Internship (12 credits).

\* Students are encouraged to take ESAP 101 as a Free Elective.

**\*\* This document is meant to serve as a guide. Some planners may show more than 120 credits because faculty have created flexibility in choosing courses. However, only 120 credits are required to obtain a degree. Please consult with your academic adviser and refer to your curriculum guide prior to registering for courses. This plan should be reviewed, and verified, by you and your academic adviser at least once each academic year.**

Students must meet all Exercise Science 3+3 major requirements, Logan Chiropractic Graduate program prerequisites, and Rock Studies requirements to apply.

Major: 6149

Pre-Chiropractic (Logan) 3+3 (6EPC)

Revised: 06.06.2023
