[1] Course offered in multiple subjects; cannot take course in first major subject.

[2] Work with your Academic Adviser to declare a Thematic Thread by the end of your fall semester in your second year. Choose a Thematic Thread that contains PSYC 105 & Medical Terminology if you declare a Thread in Fall 2022 or later.

[3] If you enter in Fall 2021 or later and do not pass the Computer Competency exam.

*   Students are encouraged to take ESAP 101 as a Free Elective.

**   You will already have if you declare a Thematic Thread Fall 2022 or later that includes PSYC 105 and Medical Technology.

** This document is meant to serve as a guide. Some planners may show more than 120 credits because faculty have created flexibility in choosing courses. However, only 120 credits are required to obtain a degree. Please consult with your academic adviser and refer to your curriculum guide prior to registering for courses. This plan should be reviewed, and verified, by you and your academic adviser at least once each academic year.
