\* Students are encouraged to take INDS 101 as a Free Elective.

- CS Organizational Security Major requires 60 Credit Hours (36 Core + 9 General + 9 Culture + 6 Electives).
- The number of free electives will depend on Rock Studies courses taken and/or Minor.
- The number of Rock Studies courses will depend on how much overlap there is between major courses and Rock Studies courses.

\*\* This document is meant to serve as a guide. Some planners may show more than 120 credits because faculty have created flexibility in choosing courses. However, only 120 credits are required to obtain a degree. Please consult with your academic adviser and refer to your curriculum guide prior to registering for courses. This plan should be reviewed, and verified, by you and your academic adviser at least once each academic year.
