

# MUSIC EDUCATION, MINOR

---

The Minor in Music Education minor is the most flexible of our four minors in music for education at SRU. This minor allows the student to tailor their interest towards developing skills that could be used for volunteer or paid positions with school or community music opportunities, such as serving on marching band staffs, directing or assisting with community musicals or choirs, working in early childhood centers, or leading music for camps.

The minor also allows students majoring in education (elementary, middle-level, secondary, etc.) an opportunity to stack credentials, providing a competitive edge for supplemental teaching opportunities in their local districts.
