About Our Program

The SRU Music Therapy Program celebrated 40 years of music therapy in 2017 with the founder of the SRU MT Program, Dr. Sue Shuttleworth, and the Director of Music Therapy, Dr. Susan Hadley providing remarks about the strong history of our program. We have four music therapy faculty teaching in the program as well as an on-campus clinic to train music therapy students throughout their studies at SRU.

The Bachelor of Music in Music Therapy prepares students to engage in musical experiences with a diverse range of people to assist them in reaching optimal health and personal growth. For additional information about our music therapy program, contact the music therapy faculty members:

- Susan Hadley, Ph.D., MT-BC (Director of Music Therapy & Coordinator of Graduate Music Therapy Program)
- Nicole Hahna, Ph.D., MT-BC, Fellow of the Association for Music & Imagery (Coordinator of Undergraduate Music Therapy Program)
- Vern Miller, MMT, MT-BC (Coordinator of Clinical Placements & Coordinator of Equivalency Program)
- Freddy Perkins, MMT, MT-BC

Certification & Licensure

SRU's Music Therapy Program is approved by the American Music Therapy Association. Students completing this program are eligible to sit for the national board certification exam (<http://www.cbmt.org/>) to obtain the Music Therapist-Board Certified (MT-BC) credential. Pennsylvania does not require state licensing; however, some states do require licensing for music therapists. If you are interested in practicing in another state, please contact the licensing board in that state.

Total Hours		81-86

¹ Voice majors –exempt from MUSI 133.

² Course counts for 50% of Major requirements and Major GPA

³ Grade of "C" or better required.

⁴ Successful completion of upper division review prior to registration.

* Some courses may require pre-requisites. Please see course descriptions to determine if there are any pre-requisites for that specific course.

ensemble policy

While students are encouraged to participate in a variety of ensemble experiences, students must participate in at least one ensemble on their primary instrument every semester in which they are enrolled at SRU and taking applied lessons.

Students are required to complete an ensemble placement audition each semester after which ensemble directors, in consultation with applied teachers and advisors, will assign semester ensemble placements. Only once all ensembles have been staffed and no other opportunities exist for a specific primary instrument will participation on a secondary instrument be counted toward this requirement.

In addition, music education students whose primary instrument is voice must play an instrument in an instrumental ensemble for at least one semester and music education students whose primary instrument is anything other than voice must sing in a vocal ensemble for at least one semester.

Additional Information: Internship Requirements

- MUSI 450 Music Therapy Internship must be taken for 2 semesters, either for 7 credits for 900 hours (1 semester at 6 credits & 1 semester at 1 credit) or for 12 credits for 1040 hours (1 semester at 6 credits & 1 semester at 6 credits). The total pre-and post-internship music therapy clinical hours must equal at least 1200 hours.
- MT Majors are required to maintain a 2.0 overall GPA and 3.0 major GPA to remain in the program. All MT majors must successfully pass an Upper-Division Review (UDR) and Exit Interview to remain in the program. Failure to maintain the required GPA and/or pass UDR or the Exit Interview will mean that a student has to re-apply and re-audition for the MT program.

Completed Requirement Checklist

Requirement

- Piano Proficiency
- Music Therapy Skills Proficiency 2
- Music Therapy Skills Proficiency 4
- Music Therapy Upper Division Review
- Music Therapy Portfolio
- Musicianship Health Competency: Can be satisfied by passing the eight Musicianship Health Competency quizzes with scores of 70% or higher or by earning a C or better in MUSI 203, Musician's Health.
- Music Therapy Exit Interview

Co-curricular and Experiential Learning

Students are encouraged to explore additional curricular and co-curricular opportunities. There is a strong correlation between long-term student success and participation in the following types of programs and activities:

1. International study programs (short-term, semester)
2. High-Impact Practice (HIP) designated classes
3. Student-faculty research
4. Student leadership development
5. Career education and development
6. Internships
7. Field Experiences

8. Student Teaching

9. Volunteering (schools, health care facilities, churches, communities)

Important Curriculum Guide Notes

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place already-earned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisers to ensure accurate progress towards degree completion. *The information on this guide is current as of the date listed. Students are responsible for curriculum requirements at the time of enrollment at the University.*

¹ Piano Proficiency: Music Therapy students are expected to achieve piano proficiency by the end of Class Piano IV or after their fourth semester of lessons for applied piano majors. Students will not be permitted to start their internship until the proficiency is passed. See guidelines. Piano majors will select another instrument for their minor applied requirement.

² Skills Proficiency: Music therapy students must pass all aspects of the Skills Proficiencies before they can take upper-level MT classwork

³ Course offered in multiple subjects; cannot take course in first major subject

⁴ Music Therapy majors music take both Instrumental Improvisation and Keyboard Improvisation.

⁵ Voice majors must take Diction for Singers. Class is offered on a rotational basis. Even year program starts take this class during the freshman year. Odd year program starts take this class the sophomore year.

⁶ MT Upper Division Review must be taken during Semester IV

⁷ Music Therapy Exit Interview should be taken during Semester VI

**** This document is meant to serve as a guide. Some planners may show more than 120 credits because faculty have created flexibility in choosing courses. However, only 120 credits are required to obtain a degree. Please consult with your academic adviser and refer to your curriculum guide prior to registering for courses. This plan should be reviewed, and verified, by you and your academic adviser at least once each academic year.**
