ETHICS, MINOR

Philosophy encourages you to critically examine what passes as "common knowledge," formulate well-reasoned positions on important issues, and express your ideas clearly and carefully. The Philosophy program at SRU fosters excellence in reading, writing, critical thinking, and ethical deliberation. SRU philosophy students have won more top awards at the annual statewide Association for Philosophy and Religious Studies (IAPRS) than any other university within the PA State System of Higher Education.

To access Minor Requirements, please view the Curriculum Guide tab.
